“Nature never did betray, the heart that loved her”

Dear Parents

In our endeavour to save nature the school has taken a yet another initiative to provide the students with the opportunity to learn more about Nature. **The Green Olympiad - an environment examination** for school children of classes 4 and 5 introduced by **The Energy and Resources Institute** will be organized in the school on **3rd December, 2014**. The examination will not only gauge the students' knowledge on environment, but will also sensitize and educate them on issues related to environment.

Interested students will deposit a fee of ₹100/- latest by **13th October, 2014**. All the students appearing for the exam will receive Certificate for participation endorsed by TERI. Further details are available on the website **www.teriin.org/Olympiad**. We look forward to your cooperation.

NOTE : Kindly send the duly filled consent slip with the fees .
