Dear Parents,

The year 2022-23 has been an eventful one. It was indeed gratifying to see students excel in different curricular and co-curricular activities after two years of lock down. We extend our best wishes to students for the forthcoming CBSE conducted examinations.

Now the session 2022-23 is coming to a close. The due fee till the month of March 2022 has been uploaded on students online portal. You are requested to pay the fee till March 2023 latest by 20.02.2023.

Parents are also requested to clear the pending dues of 2020-21 (if any) latest by 20.02.2023 being reflected under the Head Miscellaneous fee.

Soliciting your co-operation.

Regards
Principal
