

SCIENCE COLLOQUIUM 2017

The school organised a Science Colloquium to felicitate the winners of the National Level inter- School Science Quiz – Vaigyanika 2016 on January 20, 2017.

Dr. Gopi Chandaran, Director, Vigyan Prasar was a chief guest of the day. Dr. Pratibha Jolly , Principal , Miranda House, University of Delhi was a guest of Honour, Dr. N.K. Uberoi Chairman of the school; Mr. R.K.Sethi, LMC Member and Hony. Treasurer at DAVCMC and Mr. K.L. Khurana, Manager of the school also graced the guest gallery.

Vaigyanika is a National level Inter –School contest conducted by the school's Science Education centre (SEC) every year. This year 8500 students from 53 different schools of India participated in the first phase, which was a written quiz. The second phase of the Vaigyanika was the Hands On Competitions which was only for the category wise toppers of the written quiz. 66 students qualified the competition. All the prize winners were honoured with a Trophy, Merit Certificate and Cash Prizes. The newsletter 'Sc'PECTRUM highlighting the events and achievements of the SEC and highlights of the exhibition on the theme Transforming India- EDU Info '2016 was also released on this day.

The Manager of the School Mr. K.L. Khurana conveyed his heartfelt thanks to all the distinguished guests, the educational fraternity and the students and the teachers of the various schools for making the event successful. Mrs. Renu Laroia, Principal of the school also extended her commendations to the winners and urged teachers and students to encourage and promote education that sets the mind free to create and innovate.
