Dear Parents,

Namaste!

India's Joy of Giving Week (Daan Utsav) is a remarkable initiative that takes place between October 3 and October 8. It celebrates and encourages the spirit of giving. Daan Utsav brings people from various sectors together, to celebrate and spread the joy of sharing. Everyone can give back in a way they choose- time, material, money or love. The purpose remains the same: the pure joy of giving. SRDAV Nursery believes that building empathy in our children is a vital requirement.

We are glad to share that every year, we have been reaching to children's home-Arya Anathalaya, Darya Ganj with our donations to touch more than 500 underprivileged children.

The aim to imbibe values of kindness, empathy, love and care for others among our children from the early age. Therefore we invite contributions from our young helping hands. Listed below are the essential requisites for around 500 children in ARYA ANATHALAYA (DARYAGANJ) which can only be met when every child contributes. The needs have been divided as per the classes to facilitate easy working. Students can submit the donations to the class teachers positively by October 11, 2023. It is a kind request to send new and unused material for a good cause. Let's come forward together to spread the light of joy around and participate in this social endeavour.
